Un champagne de vigneron

Pour fêter et honorer comme il se doit nos chères mamans, les fines bulles du champagne sont irremplaçables. Aux arômes fruités, celles de ce rosé festif récolté dans la vallée de la Marne sur des parcelles âgées de 29 ans sont l'assemblage parfait du chardonnay et des pinots meunier et noir. Le servir à 7-8°C.

CHAMPAGNE

- MY TOP PICKS -

The second highest rank. The wines are showing typicality, character, and length and complexity.

My Top Picks are wines I really enjoy and which have their fair share of complexity, structure, and cellaring potential.

The star marks a wine that is distinct and stood out in its category for possession of unique qualities and a marked character.

MY TOP PICKS

★ **J. Charpentier** Pure and floral, minerals and citrus, firm and structured with more of a Chardonnay character, ripe citrus and some wild raspberry, elegant and complex on the palate, lightly creamy with a really good length, fine potential here.
